Possibilities
TODAY & TOMORROW

November 23, 2017

Dear Centennial Secondary School Families:

At Hastings and Prince Edward District School Board, we are committed to our four priorities: Achieving Excellence & Equity, Learning & Leadership, Public Confidence and Well-Being. These priorities, as well as our vision of *All students prepared and empowered for the possibilities of today and tomorrow* are key components of the 2015-2020 Strategic Plan: Possibilities Today & Tomorrow.

I want to provide you with an update about decisions made for some Belleville schools that were part of a recent accommodation review. Attendance boundary and school organization/program changes related to the accommodation review processes have now been determined for your child's school.

Boundary changes

School board staff have worked with Tri-Board Student Transportation Services to determine attendance boundary changes. Based on an analysis of current enrolment and students' home addresses, the following has been determined for September 2018:

- Approximately 200 Quinte Secondary School students will attend Centennial Secondary School.
- Approximately 390 Quinte Secondary School students will attend the Belleville consolidated secondary school at the existing Moira Secondary School site.
- Students who live within the current Centennial Secondary School attendance boundary will continue to attend Centennial Secondary School.
- A look-up/search feature is now available on the Tri-Board Student Transportation Services website at <https://triboard.ca/>
- New boundary maps are on the HPEDSB website: www.HPEschools.ca > Board Room > Board Meetings > Student Enrolment/School Capacity Committee > November 20, 2017, starting on page 7 at that link.

Quinte Adult Education

Quinte Adult Education, currently located at Quinte Secondary School, will move to the William R. Kirk building at 224 Palmer Road in Belleville for September 2018.

QSS Child Care Centre

The QSS Child Care Centre, a valued community partner, currently located at Quinte Secondary School, will relocate to a new location. School board staff are in discussions with the QSS Child Care Centre and have indicated that space will be available in HPEDSB schools.

SHAPE Program

The SHAPE (South Hastings Alternative Personalized Education) program for current Centennial, Moira and Quinte students will continue to be located at the William R. Kirk building for September 2018.

Possibilities
TODAY & TOMORROW

Thank you for your continued support of Hastings and Prince Edward District School Board. Together we are shaping the future of HPEDSB and public education in the communities we serve.

If you have any questions, please contact your child's principal.

Sincerely,

A handwritten signature in black ink that reads "Mandy Savery-Whiteway". The signature is written in a cursive, flowing style.
